# Who Am I ?

?

I was born in the beautiful city of Hot Springs, Arkansas and have four sisters. While I was in my teens we moved to the Los Angeles area of California. In fact we lived near the port of Los Angeles. So I have lived in some lovely areas.

After graduating from High School I started work in a bank. Worked my way up to be an operations officer and enjoyed my work for 18-19 years.

Along the way I married Jack who worked for American Air Lines and we moved to Phoenix, Arizona. I worked in the bank there too.

Life was never dull as we wound up with a son and 3 daughters plus 4 grandchildren. I found time to read and quilt, two of my favorite things to do. If you like quilting just give me a call.

We also did travel such as to Hawaii, Alaska, the Bahamas, Mexico, Vegas. We visited Hawaii several times as I had cousins there. We cruised the islands and then home. Now we are in beautiful Texas! Well, at least we have beautiful friends here. 😊

I like many of you, grew up going to church so, I felt I knew who Christ was. I really decided to give my heart to Jesus after Jack and I were married. We do enjoy our church family here at Crossroads and I do like our OWLS group.
